## COMMUNICATION AND INTERPERSONAL SKILLS

### Communication and interpersonal skills

Excellent communication skills, both verbal and not, learned during the training period but certainly matured and expanded in my current career path. Skills aimed at listening and understanding the explicit or unspoken question of the client and the family who takes charge of it.

Techniques used: active listening, use of open questions, Teach Back and paraphrases.

Roma, 09/01/2026

*Marie Anne Vincenza Riccobono*
